

If you're a hospitality student,
AH&LEF can help fund your education
and jump start your career.

AH&LEF
Hospitality
Scholarship
Opportunities

Hundreds of scholarships are available to college students to help further your studies, and ultimately career, in hospitality through the American Hotel & Lodging Educational Foundation.

Don't think your GPA or financial need is high enough? Think again. A commitment to hospitality is all you need (and a few minimum requirements), and with 10 different scholarships available, there's sure to be at least one that's right for you.

For more information or to fill out an online application, visit www.ahlef.org.

Am I really eligible?

So, there are a few requirements, but they're pretty basic. Applicants must be enrolled in a U.S. program and pursuing higher education as a means to build a career in lodging, and with the exception of the Rama and Graduate Scholarships, you must be enrolled in a hospitality-related program, such as hotel/restaurant management, culinary arts, travel/tourism, or hotel administration. Each scholarship has additional requirements as well, so be sure to read them all before deciding which ones to apply for, but we have something for everyone.

You'll be evaluated on academics, related work experience, extracurricular activities, financial need, honors, and personal attributes, but there's no "cookie cutter" profile we're looking for.

Is it worth my time?

With 10 scholarship programs and more than \$500,000 to hand out to a few hundred recipients, it's never been easier to get money in your pocket. Scholarship awards range from \$500 to \$5,000, and that money never needs to be paid back like a loan.

And it only takes a few minutes to apply. Wouldn't you say it's worth your time?

If that's not enough, you get more.

Awardees of an AHLEF scholarship receive a free membership to the American Hotel & Lodging Association (AH&LA), planting you at the center of the industry with access to all the news, information, and events that the nation's leading hotel companies rely on. It keeps you in the know and in touch with the individuals who make the hiring decisions. If you are under 30 years of age you'll also be able to join AH&LA's newest membership category for free – the Under 30 Gateway, which includes a mentor program. You also receive exclusive acceptance into the Scholarship Alumni Association (SAA), a close-knit group of scholarship awardees who act as vital connections down the road.

So let's get started.

Our scholarships fall into two categories: **self nominated** and **school nominated**. For self nominated scholarships, you assess which ones you qualify for and then indicate the ones you for which you want to receive consideration. (Your school does not have to be affiliated with AH&LEF.) If you've been notified by a faculty member that you've been nominated by your school, be sure to check the appropriate box under "school nominated" scholarships, as well as indicate any other self nominated ones you're interested in.

Just remember, the application deadline is May 1!

Instructions and Policies

- All scholarships require enrollment in a U.S., undergraduate, hospitality-related degree granting program with the exception of the Rama and Graduate Scholarship Programs.
- Full-time enrollment for all scholarships is defined as enrollment of 12 or more credit hours for both the upcoming fall and spring semesters. Part-time is considered less than 12 credit hours for one or both semesters; or full-time enrollment for fall semester only.
- Open scholarship competitions do not require school nomination in order to be considered. School selected/nominated programs do require school nomination for consideration.
- It's important applicants complete all required sections of the application because they are scored on a combination of academic performance, hospitality work experience, financial need, extracurricular/professional activities and honors, as well as personal attributes as defined in their career goal statement.
- Students who receive an award are paid in two equal installments per academic year. The first check is mailed in September and the second in December. Checks are issued jointly to the student and the institution and must be endorsed by both. The scholarship checks and certificates are sent directly to the university. Scholarships must be used exclusively for the payment of tuition, fees, and books. Any remaining funds must be returned to AH&LEF. Any recipient who fails to enroll or cancels his/her enrollment must notify AH&LEF immediately.
