DINING SERVICES SUPERVISOR and PART TIME EVENING PERSONAL CARE AIDE: (G414)

Hampshire House, Oneonta, NY

Dining Services Supervisor: Senior living facility looking for an experienced, organized person for a full time position. Duties include meal planning, ordering, inventory, staff scheduling and supervision, regulatory compliance and documentation. The right person must be able to take direction from consulting dietitian and management. Proficiency with Microsoft Word, Excel and internet based software preferred. Must be familiar with NYS Sanitary Code regulations and able to work some weekends, holidays and evenings. Salary is commensurate with experience. Excellent benefit package available. **Part-time Evening Personal Care Aide:** Experience with seniors is preferred and medication passing experience is a plus, but will train the right person. Must be able to multi-task and take direction. Must be patient, pleasant, punctual and honest. This job is very rewarding, but only those with a serious interest need apply. For either position, e-mail resume to penny@hampshirehouseacf.com or call 607-432-6171 for an interview.

SENIOR ENGINEERING AIDE EXAM (G415)

Delaware County Department of Public Works, Delhi, NY

Open competitive examination for Senior Engineering Aide, Exam #65844 on September 10, 2011. Last date to file for exam: August 15, 2011. Position involves the performance of moderately difficult sub-professional civil engineering work in the office or in the field including making the more difficult routine technical computations and drawings and gathering preliminary data for use by supervisors. The position is distinguished from Engineering Aide by the complexity of assignments and by the presence of drafting duties. The work is performed under general supervision of the Civil Engineer allowing leeway for the exercise of independent judgment in carrying out the details of assignments in accordance with department policy and sound civil engineering practices. Supervision is not a responsibility of the position. Does related work as required. **MINIMUM QUALIFICATIONS:** Either: A. Graduation from a regionally accredited or New York State registered college or technical institute with an Associate's Degree in engineering technology or related field; OR B. (1) Graduation from a senior high school and (2) four years of full-time paid experience assisting civil engineering work which shall have included the operation of survey equipment, making engineering computations or drafting; OR C. An equivalent combination of experience as defined by the limits of (A) and (B) above. Candidates must have been residents of Delaware County or contiguous counties, for at least four months immediately preceding the examination date. Salary: \$33,013 - \$35,671. For more details: <http://www.co.delaware.ny.us/departments/pers/jobs.htm> Delaware County Personnel Office at 111 Main St, Delhi, NY 13752, Phone (607) 746-2318 Fax: (607) 746-6984.

SALES CONSULTANT (G413)

Beaver Mountain Log Homes, Inc., Hancock, NY

Beaver Mountain Log & Cedar Homes, the Northeast's premier full service custom log and hybrid home designer and producer, is currently looking to expand its top performing sales team. Have excellent market potential and unlimited opportunities to expand our markets and grow. Opportunities exist for a select group of talented consultative sales representatives. Building/sales consultants build excellent relationships with clients, builders and developers to help create custom homes from concept to completion with the final goal of creating satisfied customers. Follow a proven sales model to demonstrate company capabilities to new prospects and builders, learn client's dreams, wants and needs, follow-up and close new home sales and process sales agreements. Represent Beaver Mountain at builder/job site visits, trade shows, open houses, and key marketing publicity events. Reasonable travel within radius of our corporate location, some evening and weekend work required with occasional overnights. Looking for competitive, self-motivated professionals who have the drive to succeed, to join our in-house sales team at our corporate model homes and design center on NY Route 17, near Hancock, New York. A passion for log/timber homes and experience in the home construction industry would be helpful, but is not necessary. No real estate license is required. This is a great entry level sales position for a talented individual who is eager to develop a long-term, fulfilling career in sales. Preferred Requirements: Willing to put forth extra effort to be highly successful; highly organized, motivated self-starter, great oral and written communication ability, integrity: Chooses to "do the right thing", confident, enthusiastic and positive attitude; commitment to self-improvement and personal development; excellent technology skills; goal-oriented/results-driven; plays well with others!!! Exceptional compensation and benefits program with potential to earn \$100,000 a year; very competitive base salary, outstanding commissions' structure and incentives, and exceptional benefits including generous employer paid health insurance contribution, 401K, bonuses, paid holidays, etc. Only candidates who submit a cover letter, a professional resume, and multiple references will be considered for these positions. As a leader in log and cedar homes since 1982, our vision is to produce "Builder Friendly" log homes that offer lasting value and feature comprehensive pre-cut premium log and timber components, top quality brand name materials and exceptional customer service and builder support services. Send resume to dprochazka@beavermtn.com. For more information about company, please visit <http://www.beavermtn.com/>

MORNING STAFF PERSON (G324)

ARC of Delaware County, Delhi, NY

Seeking morning staff person to assist individuals in getting ready for their day. Work two hours per day Monday through Friday in one of the residences in Delhi. Contact Christine Fritsch at (607) 746-3700. MUST BE RELIABLE.

INTERNSHIP (G416)

Obama for America for Fall Fellows Program

This fall, Obama for America is looking for students, recent graduates, and anyone else who believes in the power of community organizing, to help lead our grassroots movement. The OFA Fall Fellows Program will work directly with communities and volunteer leaders to recruit, train and mobilize volunteers to reelect the President in 2012. Fall Fellows, who may work part-time (15 hrs/week) or full-time (40 hrs/week), will focus on building teams of volunteers and coordinating outreach activities for potential volunteers in communities and on campuses. Fall Fellows attending school may build teams of students on their campuses. Fall Fellows who complete the program will leave with a full understanding of the tools, tactics, and language that organizers use to make change in their communities and elect candidates they believe in. Candidates for the Fall Fellows program must be enthusiastic about helping to re-elect President Obama and willing to commit a portion of their week to the reelection effort. Early September to Early December. The application process must be completed by August 11th, 2011. Obama for America thanks you for your support.

<http://my.barackobama.com/Fall-Fellows>

FALL INTERN (G417)

New York City Office of Senator Kirsten Gillibrand

The New York City Office of Senator Kirsten Gillibrand is now accepting applications for the Senator's fall 2011 internship. This internship program provides a unique opportunity to gain valuable experience in government and builds leadership skills. This program is designed to mentor and cultivate today's young leaders and prepare them for future public service opportunities. Interns will be placed in a number of departments of the Senator's office including Constituent Affairs, Community Outreach, Operations, and Press. Fall 2011 applicants will be admitted on a rolling basis. Interns can start full time in August and then move to a part time schedule at the start of the academic year. For application, go to <http://gillibrand.senate.gov/services/internships/>. Applicants should direct all inquiries and send applications to Gillibrand_InternshipsNYC@gillibrand.senate.gov.

VETERINARY SCIENCE TECHNOLOGY

VETERINARY TECHNICIAN (V399)

Lagrange Veterinary Hospital, Lagrangeville, NY

Seeking vet technician who enjoys being a tech; preferably licensed or license eligible. Need someone who wants to administer excellent patient care in a friendly atmosphere. Staff spends as much time with patients and clients as is necessary. One technician office in a one DVM practice, therefore, responsible for all aspects of technician duties: assistant; lab tech; surgical tech - including laparoscopy; client education/communication etc. Will oversee full time kennel person and few part-time high school assistants. Full service hospital (med, surg, dental, etc.). Need to be willing to accept extra responsibilities that are often not given to technicians: radiology, dentistry, routine (non-exam) vaccinations etc. Office has laparoscopic equipment and will be performing laparoscopic ovariectomies in the very near future. Need to be a “sharp” individual who can essentially run the back of the hospital. Some management is clearly involved (inventory control, etc), but want technician to be primarily interested in clinical care, medicine etc. as well as an individual who clients and patients will look forward to seeing time and time again. Looking for someone who wants to become a significant part of hospital! The Lagrange Veterinary Hospital is located just east of Poughkeepsie in Dutchess County, NY. If interested, contact Dr. Marshall Breite at: lagvet@gmail.com

ANIMAL RESEARCH TECHNICIAN I (V402)

New York University School of Medicine, Manhattan, NY

Contact Animal Hospital of Niskayuna: ahniskayuna@nycap.rr.com

RESEARCH POSITION (V404)

Thomas Jefferson University.

A research position is available for a qualified individual to participate in a study of attention, memory and executive functioning in normal aged non-human primates and in aged non-human primates with early-stage Parkinsonism. The project is examining potential biomarkers associated with normal and pathological cognitive aging and will be examining various pharmacological strategies designed to improve age-related and Parkinson's related cognitive deficits. The researcher will be primarily responsible for behavioral testing of animals and for performing behavioral pharmacological studies, and will participate in the design and conduct of various neurochemical, anatomical and molecular/biomarker studies. Behavioral neuroscience experience is required, and previous experience with non-human primates is preferable. An M.S. or Ph.D. in Neuroscience or a related field is required. Qualified, experienced technicians will also be considered. All replies should be sent to: Jay Schneider, jay.schneider@jefferson.edu.

NON-HUMAN PRIMATE BIOLOGIST (V403)

Kelly Government Solutions at NIH Animal Center, Poolesville, MD

Kelly Government Solutions is a strategic supplier and business partner to the federal government and its key suppliers. Through our partnership with the National Institutes of Health (NIH), Kelly Government Solutions offers administrative, IT, engineering, scientific, and healthcare professionals the opportunity to work with one of the most prestigious research organizations in the world. We are currently seeking a non-human primate biologist to work with the National Institutes of Health at the NIH Animal Center in Poolesville, MD. Long-term contract position which offers: Competitive salary with comprehensive benefit package; free training and tremendous growth opportunity; opportunity to work at NIH, world's foremost medical research center; learn more about what Kelly can do for you at www.kellygovernmentsolutions.com. Tasks: The contractor shall: Perform daily oversight and implementation of nonhuman primate behaviorally phenotyping for the Neurocognitive Aging Section, Laboratory of Experimental Gerontology (LEG). Conduct studies of memory and age-related cognitive changes in nonhuman primates. Be directly involved in the design of behavioral testing procedures for documenting the effects of a wide range of experimental manipulations including neurobiological manipulation, neuropharmacological challenge, and aging. Be centrally involved in data collection, data analysis, and archiving for both manual and computer-aided testing procedures. Train staff in the administration of the procedures with the behavior testing. Collect and process biological samples. Coordinate all animal procedures, including quarterly procedures, PET scans, MRIs, and surgeries; assist with all animal procedures and surgeries. Provide daily meals and enrichment. Actively participate in lab/unit/section meetings by presenting ongoing research and findings, and presenting scientific papers. Edit scientific papers and present paper/abstract/poster at scientific meetings/conferences. Provide support and guidance to students and postdoctoral fellows regarding experimental planning, troubleshooting of technical difficulties, and interpretation of results. Operate and maintain sophisticated and innovative equipment to perform tests, analyses and other laboratory procedures. Perform routine laboratory maintenance. Provide routine support for computer-aided behavioral testing programs and equipment. Schedule and maintain an accurate research tracking system and database for all research activities, daily records of experiments and results, including research documentation. Ensure research stock supplies are kept stocked. Obtain quotes for laboratory supplies, services, and equipment needed to conduct research. Prepare purchase requests for these items and submits to primary investigator and/or lab manager for approval. **Requirements:** The contractor ideally would have: Master's degree in Cognition and Neural Science or a related discipline. Two years of specialized experience plus a BA/BS degree is equivalent to a master's degree. Minimum of two (2) to four (4) years experience working with animals in a research setting. Experience in animal research with nonhuman primates. Background in technical procedures, preferably primate behavior testing, and analysis techniques. Computer skills (e.g., Excel, Word, PowerPoint, etc.) and interest in computer programming. Ability to work independently and think critically with skilled hands and sound judgment. Knowledge of proper laboratory disposal methods and safety procedures. Long term contract of indefinite length. Position open until filled. For immediate consideration, email resumes to Susan LoCurto, Scientific Recruiter, at locurn@kellyscientific.com. 6101 Executive Blvd, Suite 392, Rockville, MD 20852. Telephone: 301-594-4158

Provide the latest technology for diagnostics and therapy, full range of orthopedic, soft tissue, neurologic and ophthalmic surgery performed daily. Facility equipped with CR imaging, MRI imaging, and as well as other advanced diagnostic modalities. Also have an in-house, full-service laboratory. Specialty services include Critical Care, Internal Medicine, Oncology, Ophthalmology, Radiology, and Surgery. A cardiologist, dermatologist, and neurologist work on a consultation basis. Emergency/critical care service is staffed by one ABVP boarded and four internship-trained attending DVM's with extensive experience in urgent critical care. Licensed technical staff includes 40 LVT's and 20 Animal Care Assistants. Preceptors would have the opportunity to work with each department, depending on the requirements for completion of their school's program and would have an experienced LVT to act as a mentor and oversee scheduling/assignments. General practice preceptorships are also available. The Animal Hospital of Pittsford, the flagship of Monroe Veterinary Associates, occupies a 14,000 square foot facility. There are fourteen other general practices in our group, ranging in size from one to five doctors where preceptorships are also available. Preceptorships can be arranged for 1 - 3 week time periods, in conjunction with school requirements. Contact Karen Sullivan, mvasves@gmail.com, mvasullivan@yahoo.com, Telephone: (585)-271-2733 x 25
