EOE/M/F/D/V

**RESEARCH ASSISTANT (Vet Tech) (V255)**

West Virginia University

(Animal Healthcare Technician/Veterinary Technician) This person will work for the Office of Laboratory Animal Resources (OLAR). This department provides husbandry and animal care for all units at WVU. Position provides clinical medicine instruction, oversight, guidance and leadership to research personnel including Faculty, Research Technicians, and Students. Must possess relevant medical knowledge to be able to work with a range of animal species housed at WVU and must also be able to work during weekends, holidays or after hours. Position provides after hours clinical response/care as needed. When the need arises, on call duties will be shared with two other Veterinary Technicians. West Virginia University is a comprehensive, land grant, Carnegie-designated Doctoral Research/Extensive public institution with 185 undergraduate, graduate and professional programs and an enrollment of 28,840 students including 6,910 professional and graduate students. The Robert C. Byrd Health Sciences Center is a state-assisted academic health sciences center and includes the Schools of Medicine, Pharmacy, Dentistry and Nursing, a 460-bed teaching hospital, a psychiatric hospital, rehabilitation hospital, and the Mary Babb Randolph Cancer Center. Two new research buildings which collectively provide approximately 200,000 sq. ft. of additional research space have been built at the Health Sciences Center to accommodate our research growth agenda, and a multi-phase renovation and expansion of the HSC vivarium space is underway. With a metro area population of over 115,000, Morgantown is consistently rated as one of the best small cities in the U.S., with affordable housing, excellent schools, a picturesque countryside, many outdoor recreational activities, and close proximity to major cities, such as Pittsburgh, PA and Washington, DC. Successful applicants at minimum require a Bachelor's degree with emphasis on Veterinary Technology, Animal or Veterinary Science, or related field; or an Associate's degree in Veterinary Technology, plus two years of relevant work experience; or any other equivalent combination of education and experience that includes management, experience with husbandry, and clinical care of animals. A WVU Classified Employment Application & Position Interest Form along with a resume must be submitted to WVU Human Resources at the address listed below. An application and position interest form can be downloaded at the following website: <http://www.hr.wvu.edu/forms.shtml>. WVU Division of Human Resources, PO Box 6640, One Waterfront Place, Morgantown, WV 26506, (304) 293-5700. WVU is an AA/EOE Employer. Minorities, persons with disabilities and women are encouraged to apply.

E-mail to [envh@localnet.com](mailto:envh@localnet.com). Fax: (518)566.8332

### **LICENSED VETERINARY TECHNICIAN (V250)**

Shelter Outreach Services (SOS), Ithaca, NY

Full or part-time position available with Shelter Outreach Services (SOS). SOS is a not-for-profit corporation based in Ithaca, New York. SOS's veterinary team travels throughout the Finger Lakes region of NY to provide high quality high volume spay/neuter services for shelter dogs and cats, barn cats, feral cats, dogs and cats from rescue groups and dogs and cats from families of low income. Provide medical consultation for sick animals at the shelters, and advise on shelter-related issues. Regular clinic schedule is Monday-Friday, and we sterilize 25-30 animals per day; over 8500 animals/year. Operate many extra clinics each month (Sat/Sun) as requested. Have openings for 1-2 part time technicians (or 1 full-time technician). The clinic days are 10-hour days, and have shifts on Mondays-Fridays open. The LVT will primarily be responsible for all aspects of anesthesia. Comfort and skill with anesthesia required. Ability to work in a fast-paced environment necessary. Provide competitive salary, health and retirement benefits, continuing education, professional membership dues and licensing fees. If interested in this great opportunity, please email Dr. Leslie Appel at [LDA3@cornell.edu](mailto:LDA3@cornell.edu) or call (607) 277-3828. **Please call or email to discuss.** SOS has spayed/neutered over 36,000 animals in the past 6 1/2 years. SOS is truly making a difference for animals in need in the Finger Lakes region. The Finger Lakes region of NY state is a beautiful place to live, and has many outdoor recreation activities during each season of the year. Join our dedicated team!
