POSITION ANNOUNCEMENT

2nd ASSISTANT GOLF COURSE SUPERINTENDENT

DATE: February 28, 2013

COURSE: Pound Ridge Golf Club
Pound Ridge, New York

COURSE INFO: Pound Ridge Golf Club is a privately owned, high-end daily fee golf facility that opened in 2008. The golf course was designed by Pete Dye and has a great variety of architectural features that offer a unique challenge for both the golfer and the turf maintenance professional. The sand based USGA Greens (with a choker layer) were seeded to A-4 Bentgrass and tees and fairways were seeded to L-93 Bentgrass. The primary roughs are Kentucky Bluegrass with Fescue mounds as secondary roughs. There are 106 sand bunkers placed strategically throughout the course.

RESPONSIBILITIES: To assist the Superintendent and First Assistant with all daily operations including course set-up, scouting for pest infestations, pesticide/ fertilizer applications, topdressing, mowing, crew supervision and equipment preventative maintenance in the winter time.

QUALIFICATIONS:
Two/Four year degree or Winter School Certificate in Turf Management/Horticulture preferred. Applicant must have or obtain a NYSDEC Pesticide Applicator’s License, a Certified Pesticide Technicians permit or train as an apprentice. Prior golf course experience is preferred.

SALARY & BENEFITS: $40,000.00 plus medical benefits, MetGCSA & GCSAA dues, vacation and golfing privileges.
