- Must have good communication skills both written and verbal.
- The maintenance of records and reports is required.
- Basic computer skills are required.
- Two to three years of experience is required; GCSAA Certification preferred.
- Love of the game is essential.

Salary is negotiable based on experience and skill level. In addition to salary, benefits include health insurance, discounted meals, paid professional dues along with other negotiable items.

Rogues' Roost is a family owned 36 hole semi-private golf course approximately 12 miles east of Syracuse adjacent to Oneida Lake. The golf course superintendent will work closely with the golf course manager who is a PGA pro and also an owner along with his father who designed and built both golf courses. This is an ideal opportunity for an assistant superintendent to move up in responsibility and enhance his /her resume in a supportive atmosphere. Please send resume to Darl Johnston, P.O. Box 430, Bridgeport, N.Y. 13030.
