REGISTRATION RELATED INFORMATION

Failure to Read	Failure to read this bulletin does not excuse students from the requirements and regulations described herein. SUNY Delhi reserves the right to cancel any course because of insufficient enrollment or other reasons. Should cancellation be necessary, a student may choose another course or request a full refund.
Changes to CLASS Schedule	SUNY Delhi may change class schedule information at any time. The printed schedule is accurate as of February 2, 2009. For an updated class schedule, go to www.delhi.edu/current_students . To use the on-line searchable class schedule go to www.delhi.edu/academics and select the Semester Course Schedule link.
Full Time Student	You must be registered for a minimum of 12 credits to be a full-time student. If you are unable to register for at least 12 credits because of closed classes, see your academic advisor for alternate suggestions. Not being enrolled full-time could jeopardize housing, financial aid, insurance, billing, etc. Students are advised to take at least 15 credit hours each term. The final responsibility for meeting program requirements rests with the student.
Personal Identification Numbers (PIN)	You will need 2 PINS to register: (1) General Student PIN , which will be your PIN while attending SUNY Delhi. All current students are periodically emailed their PIN number, which is the same number used to access your grades and check your financial aid; (2) Alternate PIN , which will change every semester for registration purposes. Your alternate PIN is only available from your academic advisor.
Administrative Holds	Several offices at SUNY Delhi have the authority to place holds on student records. These holds may impact a student's ability to pre-enroll, register or add/drop and/or to receive official transcripts, diplomas, or statements of degree. Please take care of all holds before trying to register.
Physical and Immunization Requirements	All students taking 6 credits or more are required to provide SUNY Delhi with evidence of a physical exam within the past year, tuberculin testing within the past 6 months and up-to-date immunization records. NY State Law requires college students to show evidence of 2 Measles vaccines and evidence of 1 Rubella and 1 Mumps vaccine. The law applies to all students born on or after 01/01/57. NY State Law also requires that students receive information on Meningococcal Meningitis disease and the vaccine to prevent it, and complete a form stating that they have received this information and whether they have had the vaccine or choose not to have it at this time. Nursing students must comply with additional departmental requirements.
Advisement	Matriculated students (those enrolled in an academic program): Meet with your academic advisor February 16-March 12 to discuss course selection for the Fall 2009 semester. Your advisor will give you your alternate PIN (ALT PIN) Non-matriculated students (those not enrolled in an academic program): Call the Continuing Education Office at (607)746-4576 or visit the Resnick Learning Center, Bush Hall 221 for advisement and registration information.
CRN	Course Registration Number (CRN): is unique for each course section and should be noted when planning your schedule

Tips for entering your schedule into Bronco Web

- Do not use the "Back" or "Forward" buttons on your web browser except to move back and forth between the Class Schedule and the College Catalog descriptions or if you receive an error message "Request Failed".
- To go back to a menu, scroll to the top right of your screen and click on MENU
- Print your schedule once it is complete and check it for errors. Please note that your schedule is subject to change due to changes in course offerings. Please be certain to re-review your schedule prior to the start of the new term.

Common Problems with Registration

- ERROR MESSAGE REQUEST FAILED: The network is busy. Keep trying
- HOLDS: Select VIEW HOLDS at the bottom of the screen to find out who to contact to have the hold released
- PREREQUISITE ERROR: You have not met the prerequisite for the class. Check the catalog description for details.
- LINK ERROR: The course is a lecture/lab course; you must register for BOTH the lecture and the lab; if you are informed that one of the sections conflicts with your schedule, you MUST reselect both the lecture and the lab when resubmitting.

Class Schedules and Bills

Statements of charges for the semester are mailed to the permanent address and are due by the due date on the bill. Because the class schedule is a dynamic document, student schedules may change. Please note that your schedule is subject to change due to changes in course offerings. Please be certain to re-review your schedule prior to the start of the new term.

Transcript Requests

A \$5.00 fee is assessed all full and part-time students per semester and there is no per request charge. All requests will normally be processed within three (3) business days of receipt. During peak office periods, (registration, final grades, etc.) transcript requests may take more than three business days to process. Directions are available at (607)746-4617. Transcripts may also be requested via the secure area of the web.

Withdrawal from College

Students who wish to withdraw from SUNY Delhi (different from withdrawing from a course) must do so formally by completing the appropriate form, available at the Counseling and Health Services Office in Foreman Hall. Failure to complete the form could affect a student's matriculation status and/or ability to return to SUNY Delhi. In addition, failure to formally withdraw may result in failing grades and/or unnecessary financial obligation. Tuesday, November 24, 2009 is the last day to withdraw from the Fall 2009 semester.

POTENTIAL CAPP ISSUES:

1. Missing the Orientation/Freshman Seminar course: If the student changed majors and the requirement was completed under a different subject heading OR the student is a transfer student and it is not necessary for them to complete this requirement the student will need to discuss the possibility of a substitution or waiver with their Advisor.
2. If the student was an associate degree student, and transferred to a bachelor degree program, there is a chance that all Level 1 course work from the associate degree program may not have been applied to Level 2. If there are required courses that the student completed that are not displaying on the CAPP Degree Evaluation, please contact the Office of Records & Registration and it will be researched.
3. Failure to enroll in a course at the appropriate level (lower level: 100-299; upper level: 300-999).
4. Failure to meet General Education Requirements: Please note that if the student has "double dipped", it will say that the General Education Area is "NOT MET". However, if all the General Education Groups have notations of "YES" next to them, then the General Education Requirements are considered satisfied.

5. Liberal Arts majors – the elective group may say it is “MET”-however- to make sure that you have completed the appropriate number, please check the Area/Major to see if the number of credits has, indeed, been “MET”
6. Every Group appears to be “MET” but the student does not have a GPA of 2.0. All students must have a cumulative GPA of 2.00 to graduate.
