Welcome to Residence Life!

Move-In Day for first-time students is

Friday, August 30, 2013

In order to keep traffic moving smoothly, students will individually be sent a time that day to drive up to their residence hall and move in their belongings. You may check in at or after your appointed time, but there is no provision for early move-ins (unless otherwise instructed). You will have 20 minutes to unload your vehicle near the building. After 20 minutes you will be asked to move your vehicle to a parking lot.

Move-In Crew volunteers will be on-hand to assist you in carrying belongings to your room up until 2 pm. Please put the student’s name, hall and room number on boxes, suitcases, etc. to help us help you more efficiently.

Since you may have other things to do that day (buy textbooks, etc.) you may arrive on campus prior to your move-in time and park your vehicle, then later drive up to the residence hall for move-in at your appointed time. There will be people on campus to help direct traffic.

If you will not be arriving on August 30th, please contact the Office of Residence Life so that we know when to expect you.

Please check back to this site for further information.
