- All Greek organizations are subject to the constitution, as many people may be aware this is LAU’s last semester to get the number of members needed to remain on campus as a recognized organization. The constitution is not strict about whether or not they need to be given the boot but that it is an option. The constitution is also up for review this semester so if you feel it needs to be more strict, less strict, or is fine the way it is please email your concerns to JL30@live.delhi.edu
- Rules of being recognized on campus are as follows
o Fully recognized Greeks: need 10 active members, a GPA of 2.25 and 2 campus events a year. If these are not met for 4 consecutive semesters you will be only partly recognized
o Partly recognized Greeks: must have 7 active members, a GPA of 2.0 and do 1 event per year and if these requirements do not get met for 4 consecutive semesters then they can become unrecognized.
