Open Discussion

Senators discussed the need for more recycling bins on campus, in areas such as behind Russell Hall. Senators were reminded about the new recycling program that is slated to begin later this week. It is hope that this new “Zero Sort” Recycling program will help to alleviate this situation.

Senators discussed the parking spaces that were removed from behind Russell Hall. It is believed to be due to the relocation on the dumpsters and the construction that took place last semester.

Martin Greenfield, Director of Student Activities reminded everyone that “The Machine” is now a free show and encouraged students to come and support. He also reminded students to have a fun and safe Halloween.

Adjournment

A motion was made by Campus Voice, and seconded by Photography Club to adjourn the meeting at 5:41 PM.
