Secretary Courtney Suttles announced the deadline for the CADI grants have been extended until next Friday, November 12, 2010. The committee will review the grants
Monday, November 15 and will be announced at the senate meeting Wednesday, November 17. All clubs are encouraged to take advantage of this grant opportunity in order to increase programming on and off campus.

Vice President

Vice President Courtney Ketz announced SPB as the club of the month for October. Their presentation of the Pringles X-Treme Tour and coordination of Halloween/Fall weekend events were wonderful and many students enjoyed the events.

The Student Senate has been asked again this year to suggest a speaker for the upcoming December Graduation. Senators are to be prepared to bring back some good nominations next week.

President

President Jeff Abraham congratulated TG, SPB, BSU, Broncos Fynest, Greek Council, and AGC for the major programming success during Halloween weekend. There was just the right mix of different programs during the week that featured music, dance, comedy, student performances, a haunted house, and Steve Starr. Over 1600 students and guests attended these events. It is great to see students and clubs working together to
make our campus fun. All of the activities helped a great deal to contribute to a safe, fun, and incident free Halloween weekend.

Special thanks to the Association of General Contractors, and their incredible advisor, Steve McKeegan, for all their construction help throughout the weekend events. President Abraham also reminded everyone to remember to check out the Shangri-La-Chinese Acrobats, the national touring circus of China next Wednesday at 7pm in the Clark Field House. This touring troupe has appeared at the White House, the Olympics, Disney World, and the World’s Fair, and now they are coming back to SUNY Delhi. Admission is free with your student ID. This is one show that you don’t want to miss!!!

The annual Holiday Parade will be held December 4th in the town of Delhi. We would like to see a great college student body present at this event. All clubs are urged to participate in this fun event.

Student Senate is planning on holding a Holiday celebration for all senators. If there are any ideas for the celebration please see President Abraham.
