There is a $100 fundraising level that everyone must reach and they are really enforcing it this year. The Relay Rally will be held March 18th at 4 pm in Farrell Commons. We encourage all students to come and set up a table!! Be creative and email Christina with your ideas by March 11th at dcrelay@delhitel.net. March 9th is the second captains meeting in Alumni Hall at 6 pm. President

President Jeff Abraham announced he attended the College Council meeting and is very excited to report the College Council has the same advocacy efforts the Student Senate is trying to achieve. That being said, SUNY Polooza is March 15th, 2011. There will be a
bus leaving SUNY Delhi at 7 am and returning at 6:30 pm. The bus is provided for students’ transportation to and from SUNY Palooza. Breakfast and lunch will also be provided. Student Senate will be purchasing t-shirts for the participants who are attending SUNY Palooza. There will be an informational night for all participants to discuss topics and issues.

There is also a petition available to sign at: www.ipetitions.com/petition/investinsuny/signatures. Signing the petition says you agree with the advocacy issues SUNY is rallying for.

In the near future, there will possibly be a table set up with a forum letter for students to send to their legislatures about issues they feel are important. This is a great way to have your voice heard by your legislatures. We will be needing people to set up and man the table to get the word out there.

**New Business**

The PGM club has an opportunity to go to a golf instructional seminar in April hosted by Michael Breed of the Golf Channel. Breed is a world famous golf instructor with his own weekly show called “The Golf Fix.” The cost per student to attend is $30. We are not sure how many students will go but we anticipate 20 – 30, which would mean a total of between $600 and $900 for the trip. Lunch is included and we could take state vans to Albany where the seminar will take place. We are looking to be allocated $900 for the trip.

Although we have $661 in our account, we are saving that for our annual Spring golf trip. We are also trying to raise money by renting space in our swing lab to the public in March. Whatever we make we will put towards the trip to help offset the cost.
