**Open Discussion**

CSA asked about potentially reducing the price of a Commuter parking sticker due to the fact that they spend less time parked on campus, and most of the time, much less space is available for them to park in. The topic of creating a bus to downtown was discussed again as well.
Guest Speaker

Carol Bishop, Vice President for Business and Finance, returned to the Senate to continue the discussion on fee increases. She passed out a packet of charts explaining some of the increases and changes. The Intercollegiate Board, as well as the Student Health Advisory Committee, reviewed these increases. She told the Senate that they discussed adding a downtown route to the Bronco Bus and as of right now, that will not be happening due to the increase in gas prices and Driver’s salaries it would cause. She also discussed the potential changes to the printing fee as it had been discussed in Senate in the past, and said that as of right now it will probably be reduced to $15 a semester rather than $25.

Adjournment

A motion to adjourn the meeting was made at 5:52 pm by College Players and was seconded by Bronco’s Fynest. All were in favor with no one opposing or abstaining.
