**Open Discussion**

Greek Council, RHA, the Sustainability Advocates and CADI are sponsoring TOMS A Day without Shoes in conjunction with Soles4Souls. TOMS shoes are being offered to the first 100 students at a discounted price if they pledge to participate in A Day Without Shoes on April 29th. TOMS participates in a one-for-one program; for every pair purchased by our students, one will be donated to someone in need. In addition, we are encouraging all students and staff at SUNY Delhi to drop off gently worn and used shoes for Soles4Souls. The organization ships our donations to impoverished and depressed countries around the world. On April 29th in Farrell Center, we will be handing out the newly purchased shoes and boxing up the donated pairs. Barnes and Noble have generously offered to ship the shoes to the Soles4Souls warehouse in Tennessee. Donations will begin after spring break. We are working to set up drop off points around campus for the donated shoes. Once these locations have been finalized, the information will be posted in the student email, on the
signboards and in various offices on campus. Soles4Souls accepts the following type of shoes: athletic, running, heels, work boots, dance, dress, cleats and sandals.

**Advisor Report**

John Huber, Director of Student Activities, discussed club budgets for the next academic year. A suggestion of starting with a preliminary budget for the first two weeks that college is in session and receiving a finalized budget on the second week of September was also discussed.

**Adjournment**

A motion was made at 5:33 PM to adjourn the meeting by DCIC and seconded by Glee Club. The motion passed unanimously and the meeting was adjourned.
