Marty Greenfield introduced Delhi’s new Campus Minister, Jared Stevens. Jarred is very excited to begin working with us. He thanks us for having him as well. His office is located on the Club Level in Farrell Hall in the Club Suite.

Marty also introduced Barbara Jones, Vice President for Student Life. Vice President Jones welcomed everyone back to school, and is happy to be working with everyone. She announced that the SUNY system is attempting to raise money for statewide flood relief, and extended her invitation for aid to any families that may need it. She thanked the 100+ people who assisted in the flood relief and cleaning in Margaretville and surrounding communities. V.P. Jones also touched on our upcoming Middle States evaluation and what it means to SUNY Delhi. She is also pleased to see that many people are abiding by the new smoking policies and added that there are more gazebos planned in the future. Lastly, she mentioned that May of 2013 will be Delhi’s 100th anniversary, and would appreciate some student help and feedback on planning celebration events.

Officer Reports
Secretary

Secretary Katherine McGeary passed out the minutes. The motion to pass the minutes was made by Patisserie Club and seconded by SPB. From now on, the minutes will be emailed only.

The Secretary passed around a sheet asking for the senator’s name and email, as well as one to collect the time and location of each club meeting.

She reminded all senators that all cell phones are to be turned off during the meeting, and absolutely no texting is allowed.

If a senator arrives after the attendance is taken, it is their responsibility to tell the Secretary so they may be marked late, rather than absent. If a senator leaves the meeting before adjournment, they will be marked as absent.

The Secretary also reminded everyone that all announcements are to be handed in to her after the meeting to be included in the minutes.

Treasurer

Treasurer Kevorn Willet thanked everyone for attending the treasurers meetings. For those that didn’t make it, there will be one more, Wednesday the 21st, at 3pm in Farrell 211B.

The clubs that must still pick up their packets include LASO, Anime Club, Outdoor Club, WDTU, AGC, Horticulture Club, ADDA, Bronco’s Fynest, DET, Psychology Club, NAHB, Campus Voice, College Players, Parks & Rec Club, and BIG.

The Treasurer asked for nominations for the Finance Committee, which sets the annual budgets and deals with additional allocation requests.

The nominations were: Justin Brand, HMS; Arvin Tangalan, CAC; Rudelle Steinberg, BASIC; Shalequia Jones, VIP; Jate’e Kearsley, Cheerleading; Dashnelle Dorce, Bronco’s Fynest; Theresa Bryant, Antoine Nobel, Alyssa Rodriguez, Natalie Guzman, Rubie Evans, and Dionella Lora, SPB. Appointments will be announced at next week’s meeting.

The Treasurer also reminded the senators that the deadline for purchase orders is Tuesdays before noon.

Vice President

Vice President Marissa Kubinyak thanked all who attended the 9/11 march last Sunday. It is always important that students participate in events such as this one that take place in Delhi.
The Vice President reminded the Senate that the Food Committee is working closely with CADI to address the students’ issues and concerns.

The Vice President announced that the clubs without advisors, WIC and BSU, need to find one or they must become inactive. She reminded everyone that a club must have a complete E-Board, regular meetings, and an advisor to function as an active club.

The Think Green Club has asked to become inactive due to lack of current interest. The Vice President also stated that if three meetings are missed, the club will become inactive.

The Vice President announced that the Sustainability Committee, which is CADI run and deals with recycling and helping the campus make the leap to become more sustainable, is looking for student input.

President

President David Vasquez reminded the Senate that the Activities Fair will be held Thursday, September 15, from 11:30am-1:30pm throughout Farrell Hall. This is a great opportunity to get the club into the public eye and recruit new members. The president also mentioned that there would be a prize for the best table. If a club is not represented at the fair, they will be fined $100.

The President also mentioned that although this was supposed to take place during the new “common hour”, unfortunately many students have classes.

The President reminded the Senate that Family Day will be Saturday, September 24 and encouraged all students to participate.

The methane gas odor in Farrell Hall is being dealt with, and is potentially caused by a design flaw. In an instance in which this may occur, students and faculty are asked to notify a building manager who will take appropriate action.

The President commented that the mailroom is working incredibly hard to process our mail as quickly as possible. They have logged and distributed over 2000 packages within the first two weeks of school. The president agrees with many students that the high amount of packages is related to the high cost of books from the Delhi B&N Bookstore.

The President took nominations for the Constitutional Review Committee.

The President commented on the fact that many of the recycling bins around campus are full, and asks that students hold on to their bottles for just a little farther rather than throw them into the garbage.

The President also mentioned the Assessment Committee, headed by CADI, which is looking for a student’s point of view and perspective.
