**Guest Speakers**

Christina Viafore, from the College Association at Delhi, Inc., came to Senate to discuss the recycling program at SUNY Delhi. When we return bottles through the CocaCola program, we get 8.5 cents for every return rather than 5 cents. We currently return about 5% of all the bottles sold campus wide, and Ms. Viafore would like to make that number 20%. The school has also purchased 50 new recycling bins to be placed on campus. Ms. Viafore asked all of the clubs to discuss volunteering to help sort the bottles and asks that she be contacted at x4759 to set up a time and date. The money earned from sorting can be donated to your club, a philanthropy organization, or back to the school.

Elizabeth Sova from the O’Connor Center for Community Engagement came to Senate to discuss Community Service Day on Saturday, October 1st. There are still some sign up spaces available. Those that have signed up should check their emails for their community service assignments.

The discussion was emailed, but if anyone has comments they should be emailed to DV2.
