The Secretary reminded the clubs that any announcements must be given to the secretary in writing after the meeting, or emailed to her by 11am that day. She then brought up the idea of paperless minutes, which all Senators seemed to think was a good idea, and will begin next week.

STUDENT SENATE ACTIVITY FAIR INFORMATION SHEET

This year’s Student Activity Fair will be held on Thursday, September 15 in the Farrell Student and Community Center from 11:30 AM until 1:30 PM. This is about one week earlier than the Activity Fair is usually scheduled to take place. While we fully realize that this may prove to be a challenge for all recognized clubs and advisors, we want to take advantage of the first regularly scheduled Common Hour on campus, and also are anxious to have the Activity Fair at a time when it will be more accessible to non-traditional students, faculty and staff.

Here is some additional information about the event. Please note that there are procedural changes past Activity Fairs:

- Clubs will be set-up throughout Farrell Center. For instance, WDTU, Campus Voice, Fine Arts, and Commuter Students will all be set up on the Club Level, where their offices are located.
• All clubs will have assigned tables and locations in Farrell Center.
• A floor plan of club locations will be posted and provided.
• If your club has special needs such as expanded space or electrical please inform John Huber at 4567 so that we can meet your needs.
• There will be a dedicated location for all students who are required to sign in for Freshman Seminar or other classes.
• The overall theme of the Activity Fair will be “Go Green”.
• Once again, the Student Senate will offer cash prizes to the clubs that do the best jobs with their tables and displays.
• Please remember that the Activity Fair is an excellent recruitment opportunity for all clubs and organizations. Make sure that your student representatives understand the purpose of your club, and are familiar with your regular meeting time and location.
• If you have any additional questions, thoughts, ideas, or suggestions, please feel free to contact Marty Greenfield at 4568.

The Vice President discussed her position within the Food Service Committee and made the opportunity available to anyone who is interested. She announced her office hours as Monday, Wednesday, and Friday at 10, and Tuesday and Thursday around noon.

President

President David Vasquez introduced himself to the Senate.

The President explained the purpose of Senate, as well as reinforced the idea of going paperless. The President also discussed the Constitution Review Committee and made the opportunity available to those who are interested. He discussed and distributed information about the upcoming 9/11 remembrance weekend and hopes to see many people in attendance.
