**Essential Personnel – Weather Related Emergencies**

Essential personnel, as listed in the Campus Comprehensive Emergency Management Plan for weather related emergencies, includes:

1. Central Heating Plant
2. University Police
3. Residence Life
4. Food Service
5. Facilities (all custodial staff and trades)

Essential personnel are authorized to travel to their place of employment in order to provide essential services to residential students at SUNY Delhi during the declared state of emergency. This has been verified and authorized by the Delaware County Emergency Services Director.
