

Program Review Schedule

The schedule for academic program reviews (assessment of the major) is maintained in the Office of the Provost. Programs with an assessment or self-study scheduled for outside accreditation bodies generally include extensive coordination with campus offices when needing specific data. Program reviews are forwarded to the Assessment Committee for review.

Year for Program Review Process

Program	2012-2013	2013-2014	2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
