Complete Your EOP Application!

EOP applicants must meet both academic and financial criteria to be accepted into the EOP Program. Congratulations on meeting the academic criteria! **_We now need to verify your financial eligibility._**

Next Steps:

- ✓ File your 2017-2018 FAFSA and list Delhi as a school choice (school code 002857).
- ✓ Complete and return the enclosed EOP Financial Application.
- ✓ Submit supplemental financial information as noted on the Financial Application.

Once the worksheet and all supporting documentation has been received, your financial eligibility will be evaluated.

Keep in Mind:

- ➢ **All required income documentation must be received before a final EOP admission decision is made.**
- ➢ Space in the EOP Program is limited, so submit your documents as soon as possible!
- ➢ If you meet the financial eligibility requirements for the EOP Program, you will be contacted to schedule an interview. _Passing both the academic and financial criteria for EOP does not guarantee a spot in the EOP Program._
- ➢ **Be sure to set up and monitor your SUNY Delhi email account! Information is in your admission's packet on how to set it up.**
