

DIRECTIONS TO APPLY FOR READMISSION TO DELHI

RE-ESTABLISHING MATRICULATED STATUS FOLLOWING ACADEMIC DISMISSAL

Students dismissed for academic reasons will not be matriculated into [enrolled in a degree program] the College for a period of one semester. **During this time, it is REQUIRED that the student successfully complete at least six (6) college credit hours with a grade of C or better in each course.**

To improve a student's chance of being considered for readmittance, it is strongly recommended that the student get prior approval of these courses from their advisor. In the event that the faculty advisor cannot be reached, prior approval can be obtained from the school dean. Students may take classes over the summer session to become eligible for readmission. Students who are academically dismissed from the college may be allowed to attend SUNY Delhi as a non-matriculated student in online courses. If their permanent residence, as determined by the Office of Enrollment Services, is within Delaware County or within a 50-mile radius of the college the student may attend as a non-matriculated student in person and/or online. All other students should attend another accredited institution.

After an interval of at least one semester, the dismissed student may petition (607-746-4550) for re-matriculation by filing a formal application at least one month before the proposed date of readmission.

The application for re-matriculation must be submitted with a \$40 non-refundable fee that will be reviewed in consultation with the School Dean, Provost, Vice President for Student Life and the Bursar.

The readmitted student shall be required to achieve a term GPA of at least 2.0 at the end of the first semester following re-matriculation to avoid being dismissed. In succeeding semesters, the student will be held to the dismissal guidelines for all other students.

A student who is readmitted to the College **within** a five-year period will be held to the course and graduation requirements of either the current catalog or the catalog that was in effect on the date of his/her initial matriculation. If, during the five-year period, course and/or program changes were instituted to assist students seeking licensing in a particular area of study, these changes become part of the graduation requirement.

A student who is readmitted to the institution **after** a five-year period shall be required to meet all course and graduation requirements of the catalog in place as of the readmission date.

**EVEN IF YOU MEET THE STATED REQUIREMENTS,
THERE IS NO GUARANTEE ON THE PART OF THE COLLEGE
THAT YOU WILL BE READMITTED.**
