Other Advanced Placement courses are available and may be transferable. Student may obtain AP credit for courses not listed here by making a written request to the appropriate division dean. (For example, requests for AP credit in the humanities, social sciences, natural sciences or mathematics should be directed to the dean of liberal arts and sciences.) The dean shall consult with faculty members in the appropriate discipline before rendering a decision.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

The [College Level Examination Program](#) (CLEP) is a nationally recognized credit by examination program. CLEP enables individuals who have acquired knowledge in nontraditional ways to demonstrate their academic achievement. With the exception of foreign languages, all CLEP exams will have a credit-granting score of 50 or above. For foreign languages, the credit-granting scores will follow those recommended by the American Council on Education. NOTE: Essay required for all composition and literature scores. Student may obtain CLEP credit for courses not listed here by making a written request to the appropriate division dean.

CREDIT BY EXAMINATION (CBE)

A student who is enrolled at SUNY Delhi and believes that he/she has mastered course content is eligible to apply for and receive Credit by Examination. Any course that is not specifically excluded from this policy by the Office of the Provost may be taken by examination.

CREDIT BY HIGH SCHOOL ARTICULATION

Students may apply for and be awarded credit through approved secondary school/SUNY Delhi articulated agreements. The maximum number of credits awarded through credit by articulation is 15.

Credit awarded through prior experience is not used in the calculation of the GPA. A student must complete 12 or more credits at SUNY Delhi with a minimum GPA of 2.0 before articulated credit is posted on the transcript utilizing the special grade of AH (Articulation - High School).

ALTERNATE PATHS FOR GAINING COLLEGE CREDIT

In addition to the direct transfer of credit from other accredited institutions, SUNY Delhi recognizes many non-traditional paths of learning. Students who avail themselves of these opportunities to earn credit may apply a maximum of 30 credit hours toward an associate degree, or a maximum of 15 credit hours toward a one year certificate. Baccalaureate degree requirements vary and the student must check the SUNY Delhi College Catalog www.delhi.edu/collegecatalog/ for residency requirements. The alternate paths toward earning credits for a degree are described in this brochure, along with SUNY Delhi's guidelines for credit recommendations.
