

## SUNY Delhi Centennial Trees

SUNY Delhi is celebrating 100 years of service to our students, our community and to New York State. One of many special initiatives to celebrate Delhi's admirable history is the Centennial Tree project.

Our goal is to plant 100 new trees on campus in three "neighborhoods" where new trees complement the vision of the Campus Beautification Committee while enhancing the beauty of SUNY Delhi's campus. Tree selection will be based on soil conditions, sun exposure, maintenance requirements, availability and other factors. If you have any questions, please contact: Maureen McKenna at (607) 746-4622 or [mckenmc@delhi.edu](mailto:mckenmc@delhi.edu) or Kathleen Gillooley at (607) 746-4314 or [gillookk@delhi.edu](mailto:gillookk@delhi.edu).

Your gift of \$275 will reserve your tree and a marker; you may purchase a tree without a marker for \$250. In keeping with the spirit of the Centennial, a portion of your gift will also help fund the student scholarship endowment. Groups may participate but we request one check and contact for the group. The names of donors will be included in the Centennial Campaign report in *Horizons* (expected to be published in 2014). If you wish additional order forms, the link is: <http://www.delhi.edu/administration/facilities/beautification.php>
