

## CONTACTING YOUR CUSTODIAN

Custodial staff are the “go to” people for facilities issues in your building. Please contact custodial staff for:

- Cleaning issues;
- Moving furniture and other items within the building;
- Repairs needed (janitors make minor repairs and call in work orders for those requiring a higher level of skill);
- Questions about campus facilities. If the custodian can’t solve the issue, they can refer you to the proper person/office.
