

SUNY Chancellor's Award for Student Excellence

The prestigious Chancellor's Award for Student Excellence acknowledges students who have best demonstrated and been recognized for their integration of academic excellence with other aspects of their lives, which may include:

- leadership
- campus involvement
- community service
- arts
- athletics
- career achievement

Eligibility: In order to be eligible, a student must graduate between June 2015 and May 2016 and have a minimum 3.5 GPA.

Step One: Complete and submit a nomination form accompanied by a rationale for the nomination in the form of a letter to Sandra Johnson, Evenden Tower 419 or email johnsosj@delhi.edu. It is strongly recommended that you work closely with the student you are nominating to ensure that your nomination is as complete as possible, and to coordinate Step Two of the process.

Step Two: Submit to the Committee Chair supporting materials--the student's resume, a co-curricular transcript, and two letters of recommendation from faculty or staff. If a student needs to develop or update a co-curricular transcript refer them to the Student Activities Office in Farrell Center. Supporting materials are due by Friday, December 4, 2015

Step Three: SUNY Delhi can nominate two students for these awards based on campus enrollment. The SUNY Delhi campus selection committee will review all campus nominations and will recommend two students to the college president to move on in the selection process.

For more information contact, Sandra Johnson, at johnsosj@delhi.edu or 4279.

Choose which category to place the student's experience. If it can go under more than one category, you must decide where to place it. Experiences can only be placed once on the form. For example, a job that increased your leadership abilities could go under Career Achievement or Leadership. Decide which category best fits the experience. Your description should help identify the appropriate category. Please only use the "Other" category if you absolutely cannot place an award/recognition/experience anywhere else.
