2022-2023 HIGH SCHOOL COMPLETION STATUS FORM

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the Student Financial Services Office at SUNY Delhi will compare your FAFSA with the information on this worksheet and with any other required documents. SUNY Delhi may ask for additional information during the verification process.

Please provide one of the following documents to indicate the student’s high school completion status when the student begins college in 2022–2023:

- A copy of the student’s high school diploma.
- For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A State certificate or transcript received by a student after the student passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination).
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- For a student who was homeschooled in a State where State law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a student who was homeschooled in a State where State law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

A student who is unable to obtain the documentation listed above must contact the financial aid office.
