

## **CABINET MEETING NOTES: JANUARY 9, 2017**

**SUNY Video Conference Follow-Up**—Cabinet, Jennifer Redinger, Terry Hamblin and Rob Piurowski participated in a review of our Performance Improvement Plan progress to date, enrollment and related topics with SUNY officials on January 6. SUNY also outlined Performance Improvement Grant priorities and the process submissions funding cycle. Cabinet discussed potential initiatives and assigned teams to develop drafts.

**Presidential Scholarship Program**—Cabinet reviewed the program and discussed ways to enhance.

**Starfish**—SUNY has a contract with Hobson's for the firm's Starfish early warning/intervention product. Starfish and similar products are designed to help improve retention by providing a tracking system that allows for earlier identification and intervention with students who are having academic challenges. Carol Bishop will seek additional information on the SUNY contract, costs and the services it covers.

**NCAA**—Barb Jones reported that our Exploratory Application regarding a potential move to the NCAA will be submitted on January 11.
